

Paris Sustainability Development Discovery

Discover Sustainability Excellence in Paris!

During your business trip to Paris, elevate your experience with premium access provided by Paris Region Chamber of Commerce.

Paris Region has placed sustainability at the core of its development policy, with solutions and innovations in smart cities, eco-construction, and mobility. The Grand Paris projects and the organization of the Olympics game serve as powerful accelerators for the implementation of initiatives involving not only public authorities but also communities, clusters, big corporations, SMEs, and startups.

As institutional partner and business representative, we provide a unique perspective on sustainable development in Paris, offering a half-day experience immersing you in the digital revolution, exploring domains from healthcare to ecological transition.

We can organize for you:

- A discover of exceptional sites (eco-districts, eco-construction, infrastructures...),
- Meetings with innovative companies established in international markets.

Special offer: Private visits to the Olympic Games' sites and/or innovative companies involved in the construction of the Olympic Village (2 hours)

Deadline for the visit of the Olympic Village: end February 2024
