Entrepreneur In  
Motion is for  
you!

## Resources of information: Erasmus' websites

Erasmus for Young Entrepreneurs' website contains all information about the main points of the programme: the exchange in the practice, contractual & final aspects, and business and programme support.

In addition to these contents, the web gather resources about the many opportunities offered by the Single Market as well as how to overcome market/business obstacles.

<https://www.erasmus-entrepreneurs.eu/>

of the partners, in dissemination events and presentations of the program.

You can also know first-hand, success stories of the participants who have used this exchange program, from the point of view of the entrepreneur, as well as the experienced entrepreneur.

<https://entrepreneurinmotion.eu/>

The YEIM consortium's web offers information about activity partners.

Those interested will be able to consult contents about the project, the requirements to participate and the success cases.

From the blog of this website you can follow the different activities

Entrepreneurs

## Your Europe Business

Your Europe Business is an EU portal designed to help Small and Medium-sized Enterprises do business cross-border and take advantage of the European Single Market.

The aim is to provide entrepreneurs with practical information on their rights, obligations and opportunities when doing business in the EU – avoiding unnecessary inconvenience and red tape.

The portal covers a wide range of topics i.e. e-procurement, IPRs, Standardisation, EU funding and is divided in 8 main sections:

<https://europa.eu/youreurope/business/>

You can find information on:

- Starting up developing a business across the European Union and beyond.
- Access to finance and funding opportunities for SMEs in Europe.
- Links to national contact points in all Member States or to EU assistance services for more personalised or detailed help and advice.

The information on this site is mainly aimed at small and medium-sized enterprises from the 28 EU member states plus Norway, Liechtenstein and Iceland. The Your Europe Business content is available in 23 languages.

Get your business information first hand on the Your Europe Business portal!
