YOUR OBJECTIVE

You wish to complete and enrich your B2B programme with a visit to an industrial or commercial site, or a trip to a trade show.

OUR SOLUTION

Organisation of your site visits with sales or technical managers and/or directors.

We will accompany you and, on request, can coordinate logistics for your visit.

EXAMPLES OF VISITS

- **Rungis Market** is the largest fresh produce market in the world. With a turnover in excess of 8.5 billion euros, it brings together around 1,200 businesses in 230 hectares divided into 9 pavilions (fish and seafood 1&2, meat, poultry, cut flowers 1&2, cheese, fruit and vegetables).
- **Industrial facilities, production or waste disposal sites** with site and technical managers.
- **Parisian department stores** (*Grands Magasins*), hypermarkets and supermarkets, specialised department stores (personal goods, household goods, DIY), concept stores.
- **Prestigious outlets** in the luxury and French *art de vivre* industries.
- **Notable architectural sites or building projects in Greater Paris**, with property developers, contractors and architects.
- **Trade shows**, including B2B or sourcing meetings: Batimat, Sial, Midest, Pollutec, Maison et Objet, Equipmag, Fashion week...
